2015 Humanitarian Award Winners

Each year, **Global Film Awards**, along with each of our sister competitions, **The Accolade Global Film Competition**, **The Best Shorts Competition** and **The IndieFEST Film Awards**, reviews films nominated by our judges during the year and honors filmmakers who are bringing awareness to issues of Ecological, Political, Social Justice, Health and Wellness, Animals, Wildlife, Conservation and Spiritual importance through our annual Humanitarian Awards.

Congratulations to this year's illustrious 2015 Humanitarian Award Winners who are committed to making a difference in the world. We are proud to honor this outstanding work!

***Unit 731*, Monarex Hollywood Corporation (USA)**, Documentary Feature – *Unit 731* explores a side of WWII history that is largely unknown to the Western World. Documenting the development of WWII from the perspective of the Far East Front, the story of the gruesome human research center, *UNIT 731*, is revealed.
